

## Autumn 2 – Homework

# In the Beginning...

Our new topic is focused on pre-history – the period of time before written records. We will be travelling back in time to explore the Stone Age, Iron Age and Bronze Age.

I would like you to develop this theme through your homework task over this half term.

You could tell a story through cave art, create your own Stone Age counting system, design your own cave dwelling or imagine you are a time traveller – what would you see / hear / touch / taste / smell if you went back to the Stone Age?

Whatever you choose to do, be it a 3D model, a written task or creating something on the computer, please take a photo / print a copy of it to share in your Homework Log using a double page spread.

I can't wait to share your super work!

Due: Friday 14<sup>th</sup> December
