16<sup>th</sup> November 2018

Dear Parents / Carers,

### **Marvellous Middle – Thursday 29<sup>th</sup> November**

This half term our DT project is linked to our class book, 'Stig of the Dump', where we are researching, designing and making an upcycled product.

On **Thursday 29<sup>th</sup> November**, we will be having a Design and Technology day for our 'Marvellous Middle' so that we can create our designs. The day will be held at the **Secondary School site**. Please drop off at the main entrance of the school (across the bridge) between 8.30 and 8.40am and pick up from the main entrance at 3.15pm as usual.

We will have lunch at the Secondary School. Please bring a packed lunch or hot dinners will be served to those who have pre-ordered as usual.

Today, your child will be bringing home a short list of items that they require for their project. We do not intend for them to cost money, instead reusing items that are no longer needed. If any of these items pose a problem, please come and speak to me.

We're looking forward to an exciting and creative day!

Kind regards,

Mrs Tough
