Dear Parents/Carers,

### **Learning activities outside of the school grounds**

Our local environment provides a wealth of learning opportunities. At times during the year there will be activities where we plan to explore our local area and will therefore leave the school grounds.

Pupils will be supervised at all times and will be taught important skills and responsibilities to ensure that they remain safe. Each trip will be carefully planned and will meet the requirements of the School's trip and visits policy.

If you have any questions about this, please do not hesitate to ask.

Kind regards,

Mrs Tough
