

Kents Hill Park School Uniform Policy - Primary

At Kents Hill Park School we think it is important that our students wear school uniform in all year groups and in accepting a place for your child at the school you agree to support us fully in this matter.

This is because:

- School uniform helps to create a sense of common identity, community and belonging.
- Students who take a pride in their uniform and wear it properly, present a good image of themselves, the school and their families.
- School uniform helps give the best possible impression of our school in the wider community.
- We strive for high standards of performance in our students and believe that a good standard of dress strengthens this aim.
- Our school uniform is available from a variety of outlets at a range of prices. This means students are not identified by parental income or background.
- The uniform code applies on journeys to and from school as well as in school. A high standard of personal appearance is expected of all students; these standards should be maintained and are regarded by everyone at Kents Hill Park School as very important.
