

Timbold Drive, Kents Hill Park, Milton Keynes, MK7 6BZ
Headteacher: Mr. James Pilgrim

8th January 2019

Dear Parents / Carers,

Visit from the School of Environment, Earth and Ecosystem Sciences – Monday 21st January

We are excited to have organised a visit from the Open University's School of Environment, Earth and Ecosystem Sciences as our Marvellous Middle for our current topics in Geography ('Peaks, Summits and Mountaineers') and Science ('Rock Detectives').

The morning will consist of a range of hands on activities, including a session where the children can ask an expert about a rock they have from home. If your child would like to bring in a rock, please can they choose **one** and bring it into school in a named bag.

We have lots of budding geologists in the class and know they will be inspired by the activities planned.

Kind regards,

Mrs Tough
Assistant Headteacher (Primary Lead)
