Headteacher: Mr. James Pilgrim

12th March 2019

Dear Parents/Carers,

I am pleased to say that on Monday 18th March, pupils will have the chance to take part in presentations from Elevate.

Elevate provide high quality study skills workshops for hundreds of schools in the UK each year. Most schools currently use them to support GCSE pupils in preparation for their exams. However, at Kents Hill Park School we feel that these study skills for effective revision and recall should be taught as early as possible so that pupils can embed and use them all the way through their academic career.

We hope that the pupils will gain a lot from the presentations on Monday, and it will further support them in their studies.

Further details about Elevate can be found at www.uk.elevateeducation.com

Yours faithfully

Mr J Pilgrim
Headteacher.
