

Timbold Drive, Kents Hill Park, Milton Keynes, MK7 6BZ
Headteacher: Mr. James Pilgrim

30th April 2019

Dear Parent/Carer

ClassCharts can be accessed via an app "ClassCharts Parent" or website www.classcharts.com
To log in for the first time you can use either of these, following the steps below:

Creating an account via the app

If you click the "Sign up" tab within the app you will be presented with an account creation form. Simply fill in the form and enter your parent code in the "Access code" field. Clicking "Sign up" will log you into the account.
Please note: Your Access Code is not the same as your password, the access code is only need for the initial signup.

Creating an account via the website

To create an account on the website, select the "I don't have an account yet" option. This will bring up additional form options. Simply fill in the form and enter your parent code in the "Access code" field.
Please note: Your Access Code is not the same as your password, the access code is only need for the initial sign up.

The presentation that was shown this evening and the ClassCharts Parents user manual have been uploaded to the school website and can be found in "Information for Parents" -> "ClassCharts".

As mentioned during the presentation this is a new initiative for parents and as a result we are aware that there may be teething problems. If you experience any difficulties or have any suggestions as to how we could improve the feature please email feedback@kenthillpark.school with the subject heading "ClassCharts".

Yours faithfully,

Miss E. Yates
Head of Maths
