**You could structure your Maths focus each week:**

- Week 1 - addition
- Week 2 - subtraction
- Week 3 - multiplication
- Week 4 – division

**(see the 'letters' section of the school website for Maths workshop resources to support use of written methods)**

**Learning resources can be found via this link:**  
<https://www.kenthillpark.school/primary/primary-home-learning/>

**Break and Lunchtime**  
 Remember to have fresh air and fun during your breaks. It's really important to give your mind a rest ☺

Remember to get lots of sleep. It will allow your body to recharge and help you to concentrate.
