

Kents Hill Park School

Timbold Drive, Kents Hill Park, Milton Keynes, MK7 6BZ
Headteacher: Mr. James Pilgrim

18th June 2020

Dear Parents / Carers,

We would like to take this opportunity to welcome you once again to Kents Hill Park School. We are delighted that you have chosen our school for your child. Ordinarily, we would have been inviting you to a number of events and organising home visits to meet you and your child. Due to the current situation, we have had to make changes to our opening plans in order to keep everyone safe. We will still ensure that you have and know everything that you need to before starting with us.

We understand that your child starting school for the first time is a very important step which, even in normal circumstances, can be daunting. Therefore, if you require any support, please do not hesitate to contact us.

In the coming weeks, we are offering you the option of either a virtual home visit (via video call) or a telephone call to provide us with the opportunity to begin to build a relationship with you and your child. We recommend the virtual home visit (via a Microsoft Teams) as it will allow you to meet and talk with the Foundation staff face to face, about your child's particular interests and needs and ask any questions that you may have. The meeting will last approximately 15/20 minutes.

Please click on the survey link below to inform us of your preferences for the virtual home visit:

We will be in contact with you via email during the w/c 22nd June to provide you with the time and date of your meeting. These will be offered on a first come, first served basis. We will try our best to accommodate your preference, but please be aware this may not always be possible.

We will shortly be sending out a PowerPoint recording which includes a range of information for school starters and we hope you find it useful. This takes the place of our planned stay and learn events as we currently cannot host meetings at school. There will be an opportunity to discuss any aspects of the PowerPoint as part of your virtual home visit.

Due to the ever-changing situation, it is difficult for us to provide information now regarding what your child's induction to school in September will look like. However, please be assured that we are monitoring the guidelines and information closely and we will continue to provide you with information about your child's phased induction to Kents Hill Park School.

We are looking forward to speaking with you and welcoming you and your child in person when it is safe to do so.

Kind regards,

Miss L Dolan
