

Kents Hill Park School

Timbold Drive, Kents Hill Park, Milton Keynes, MK7 6BZ
Headteacher: Mr. James Pilgrim

June 2020

Dear Parent,

We wrote to you in April to welcome you to Kents Hill Park School to inform you that under the current circumstances, we may have to adapt our normal transition events. We have now been able to confirm some of these events and how these will be delivered to pupils and parents.

Pupil Induction Mornings (Specific details have been emailed out)

We would like to invite your child to attend an induction morning the week beginning the 6th July 2020. This will be an opportunity for them to meet some of their new classmates, members of staff, and also to continue to familiarise themselves with the buildings and site.

Pupils' from one tutor group will be invited into school each morning; this will allow us to follow all social distancing guidelines and support the pupils fully during the morning. Children should arrive at Kents Hill Park Secondary School at 9am and go to the main school drive where a member of staff will greet them.

They can attend the morning in their own clothes and all they will need to bring with them is a drink. Please arrange to collect your child at 11am from the main school gate. If your child is currently attending their primary school please inform your child's current school that they will be attending the induction morning.

Please completed the attached form and ideally email it to transitionsupport@kentshillpark.school or post it directly to the school. An electronic version of the form can be found on the school website under the New Starters sections if required. All completed forms should be returned to the school by Thursday 2nd July 2020 to ensure it is processed in time. Unfortunately if you are unable to attend the event on the date provided we will not be able to offer an alternative day.

Parent and Pupil Information Video – Released Friday 10th July at 1.00pm

Usually we would invite parents into school to give you a chance to meet some of the staff that will play such an important part in your child's education. As this is currently not possible we will be recording a parent and pupil information video presenting the key messages that would normally be discussed. The video will be released on Friday the 10th July at 1.00pm and will be found on the school's website or by following the link <https://www.kentshillpark.school/new-starters/year-7-starters/>

Further transition day in September

When pupils return to school in September there will be additional time given to the year group to support their transition into the school prior to other pupils returning. This will help them understand the school's ethos and routines as quickly as possible.

If you have any further questions regarding transition then please use the email transitionsupport@kentshillpark.school and someone we gladly answer any questions you may have.

Yours faithfully,

Mr Adam Baxter
Assistant Headteacher
